Point of Sale: mPOS attachments available (optional).

Secure: Robust barrel lock and steel faceplate.

Display Anywhere: Robust barrel lock and steel faceplate.

SPECIFICATIONS

Aila's Interactive Kiosk is compatible with Apple iPad (9.7-inch) and iPad Pro (12.9-inch). Aila's TrueScan technology supports all major barcodes including: UPC/EAN, UPC-A, UPC-E, EAN-8, EAN-13, QR, Code 128, Code 128-A, Code 128-B, Code 128-C, GS1-128, Code 39 2 of 5, Standard 2 of 5, Interleaved 2 of 5, and PDF417.

Epson's TM-m30 POS prints 3" receipts at 203 dpi at a speed of 200 mm/second in both vertical and horizontal directions. At 5" x 5" x 5" (127 x 127 x 127 mm) and a weight of 2.64 lb/1200g it easily and securely attaches to Aila's Interactive Kiosk. Printer case colors are available in Epson Black, Epson Ultra White.

* *Epson TM-m30 and Epson power adapter are sold separately.*

TM-m30 FEATURES

Sleek 3" Receipt Printer: Compact design; the ideal attachment for self-service solutions.

Breakthrough Modular Case: Flexible configuration (top load or front load); interchangeable by easily removing the outer case.

Efficient Power Management: Use one power source for both tablet and printer.

Easy Setup and Versatile Connectivity: Dual interface — options include USB, Ethernet, wireless, Bluetooth® or NFC1 touch-to-print; includes wireless setup with SimpleAP (wireless SKU only).

Ready for iOS: ePOS print technology for easy setup and integration with iOS.
